The right to live without violence

Did you know that we, blind and partially sighted women…

- Also face violence?
- Suffer from disability-based violence?
- Due to our disability, have more difficulties to flee, fight or find help?
- See our human rights violated through violence?

Did you also know that you can do something about it?

- Be aware of the different signs.
- Download the brochure, share the information.
- Support our initiative for the right to live without violence.

Now that you know, please take action!!
